1. General

Type of product Coupling Valve Other
 Is the product type approved? Yes No
 If yes, type approval No

Manufacturer and country IMI Hydronic Engineering AB, Sweden

2. Material Composition

All components of the product in percentage by weight and specification of the content of the different components. Where appropriate, the content of the components with CAS-No. is stated. Stated even if not containing material(s) listed on the restriction list, note-list and/or the publication "Allergy and chemical Products" published by the National Chemicals Inspectorate.

Components of the product	w.p. approx.	Specification of the composition of the components (material of surface conditioning, kind of plastic etc.)	Not containing material(s) in:		
			PRIO	Restricted	Environment
Plastic	6	PPS, ABS, POM, POLYAMID 6	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Rubber	1	EPDM	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Insulation			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cast Iron			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Aluminium			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Almetal			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Brass	92	Cu 65%, Pb 2%, Si 0,7%, Zn 32%	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Copper			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Stainl. Steel			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Steel			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Paint/Lacquer			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Surface Coating	<1	Teflon	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Is the product chromium-plated? Yes No
 Is the product nickel-plated? Yes No
 Is the product galvanized? Yes No

Is recycled material a part of the product? Yes No
 If yes, state which material(s) Chips from our own machining

3. Eco-labelling and emissions

Is the product eco-labelled? Yes No
If yes, state label and licence No.

4. Waste/worn out product

Is waste/the worn out product rated as hazardous waste? Yes No
If yes, state cause:
How should the worn out product be taken care of? Be grinded, melted down and reused.
Is the supplier willing to call in the worn out product? Yes No
If yes, how is called-in waste/the worn out product taken care of?

5. Transport and packing

Which kind(s) of transport is used? Lorry or parcel post.
Site for central warehouse? Ljung, Sweden
In which material(s) is the product packed? Boxes of cardboard or corrugated board and where appropriate, in addition, in a plastic bag of polyethylene (PE).

Is recycled material a part of the packing? Yes No
If yes, state which material(s) and extent Recycled packing/ -paper according to the manufacturer's normal routine for packing.

How should the packing be taken care of? According to the normal routine for packing.
IMI TA is listed on the REPA register.
Registration No 55603362-5601
The recycling system of the packing complies with the REPA agreement.

6. TA's environmental work

Please see IMI TA's Safe, Health and Environmental Policy published at www.imi-hydronic.com.

TA has a certified quality, environmental and working environmental system, please see the certificates published www.imi-hydronic.com.
